

CAPE DJS

Cape DJ's have been offering Cape DJ's offer their professional and personalised service to hundreds of successful celebrations and functions over the past decade. The two busy Cape Town DJ's who make up Cape DJ's, boast more than 30 years' combined experience in the industry.

They specialise in weddings, birthday parties, corporate functions, and have also been involved in outdoor events, fashion shows and branded events for corporates such as Levi's, Pepsi, Volkswagen, Lipton and Parmalat, to name a few .

With a constantly updated music collection, spanning across all types of music and thousands of songs, Cape DJ's can cater for any age group or function. Their state of the art audio and lighting equipment ensures a smooth quality and reliable sound, and flawless technical experience,

The following "added value" items are offered by Cape DJ's:

- Pre Function Briefing
- Colourful Lighting options
- Additional Sound Equipment when needed
- Cordless Microphones for roaming speeches
- Backup sound equipment on site

Cape DJ's is accredited and licensed with SAMRO (South African Music Rights Organization)
