

## MARK PILGRIM

**Mark Pilgrim** is one of South Africa's most recognisable radio and television personalities, and an in-demand MC, speaker, club DJ, and corporate deejay.

Mark has been entertaining millions of listeners on radio for nearly two decades. He started his career on 5fm, and now broadcasts simultaneously on 94.7 Highveld Stereo in Johannesburg and 94.5 Kfm all across the Cape. He is as comfortable in front of the camera as he is behind the microphone, with a string of TV shows to his credit, including Big Brother South Africa, Big Brother Africa, Retail Therapy and Sex Etc on MNET; New Moves on e-TV; as well as Face2face on SABC2. His most recent show was South's Africa's biggest ever game show, the Power of 10 on MNET.

Mark is a well-polished Master of Ceremonies, corporate DJ, as well as motivational speaker, with significant experience performing at corporate and special events across South Africa. In addition, he is a professional voice artist, having done countless radio and television commercials and audio-visual narrations.

### MOTIVATIONAL SPEAKING

Mark is a cancer survivor, having been diagnosed at the age of 18 with stage 4 testicular cancer, which spread to his lungs and kidneys. In 2008, at the age of 38, he survived a severe and sudden heart attack which was caused by a genetic condition. Despite narrowly cheating death twice, his positive and genuinely happy attitude towards life is infectious and motivates others to achieve their own personal goals in life.

As a polished motivational speaker, Mark's inspirational story is anecdotal and humorous, revealing how cancer persuaded him to give up his training as a chartered accountant and follow his dream of being on radio.
