

## ROELIEN GROBBELAAR

**Roelien Grobbelaar**, currently the resident harpist of the luxurious Table Bay Hotel in Cape Town, has been playing since 1992, and has performed at venues throughout the Western Cape. A performance highlight was being the opening act for instrumental pop group Sterling EQ's debut album launch in 2009, which was featured on ETV's Showbiz Report.

She provides a wide range of music, from major repertoire to lighter Classics and favourite popular tunes to suit the client's needs. Roelien adds elegance to weddings, business functions, luncheons and cocktail parties, with the non-intrusive sound and the grandeur of the harp. No venue is too big or too small!
