

## TREN LATINO

**Tren Latino** creates a sizzling Latin experience, by fusing saucy salsa rhythms from Cuba, Brazil, Puerto Rico and Peru. From Salsa to Cha-cha, Samba to Bossa Nova, the band performs Latin hits and favourites in Spanish, Portugese and English. The Duo/Trio makes use of live instrumentation, complemented by the best quality backing tracks to help recreate the big band Latin sound that is synonymous with Latin music.

Tren Latino was formed by Wesley Solomon (Former vocalist of Maquina Loca and Salsa Candela) and world class percussionist Keith Coxon (Also formally from Maquina Loca, Salsa Candela and Latin Kings) to provide an affordable, consistent and excellent quality product.

Guaranteed to get any party moving, the concept behind Tren Latino is to offer an interactive Latin music experience, performing well-known hits and other Latin songs with infectuous rhythms. Guests are involved by being shown the basics of Latin dancing, while dance demonstrations are also available on request.
